

Flax Hill Junior Academy Sports Premium Strategy 2018 - 2019

Objectives of Sports Premium Spending

Purpose of the premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:

- Employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of schools' core staffing budgets
- Teaching the minimum requirements of the existing PE curriculum.

Accountability: The head teacher senior leadership team and PE Leader will monitor, evaluate and review the strategies we have put into place for Sports Premium and report to the governing body on its progress and impact to inform governor accountability.

Overview of Flax Hill Junior Academy's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle

We spend our PE and sport funding in order to improve PE and sport participation; to enable pupils to develop a healthy, active lifestyle. Our aims are to create sustainable development by:

1. Engaging all pupils in regular physical activity – kick-starting healthy active lifestyles;
2. Ensure the profile of PE and sport is raised across the school as a tool for whole school improvement;
3. Increase confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broaden the experience of a range of sports and activities offered to all pupils;
5. Increase the participation opportunities in competitive sport

Our rationale for spending the money in this way is:

“ALL pupils leaving primary school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

(The DfE Vision)

How the improvements made will be sustainable in the future:

- Increased knowledge and skills of all staff members
- Strong links established with local Primary and Secondary Schools
- Links formed with local community clubs in subsequent years.

At Flax Hill Junior Academy, the PE and Sports funding is spent in a variety of ways with the direct and explicit aim of making additional and sustainable improvements to the provision of PE and sport. This is for the benefit of all pupils to encourage the development of healthy, active lifestyles.

A breakdown of the 2017/18 expenditure is shown below, together with its impact on PE, sport and healthy active lifestyles' outcomes:

Sport Premium Grant Received 2017-18

£18,000

A breakdown of the expenditure for the year 2017/2018 is shown below, together with its impact:

Strategy	Description	Evidence/ Impact	Amount (£)
1. Engaging all pupils in regular physical activity – kickstarting healthy active lifestyles;	<p>Year 4 swimming lessons. In the Summer term swimming lesson given to those pupils in school unable to swim 25m (Yr 4-6)</p> <p>Purchase spare school PE kit which can be used for those pupils who forget to bring kit to school.</p>	<p>Children in Year 4 had one term of swimming lessons. By the end of this, 45% of children could competently swim 25m+. An intervention in the final term was implemented for Y6's. This enabled 91% of children at the end of Y6 to be able to swim 25m.</p> <p>Kit was purchased and distributed to classes so children can always participate in PE.</p>	<p>£3,500 (swimming SLA)</p> <p>£100</p>
2. Ensure the profile of PE and sport is raised across the school as a tool for whole school improvement;	<p>Whole school Baseline assessments of physical fitness in Autumn term. 3 Assessment windows during the year to assess pupil levels of fitness.</p> <p>Playground leaders' scheme introduced for Year 5 and 6 pupils for the year.</p>	<p>45% of children increased their baseline fitness measurement from the start of the academic year to the end.</p> <p>Playground leaders were able to experience delivering sessions to younger children in the school.</p>	£1500 (Premier Education Group)
Increase confidence, knowledge and skills of all staff in teaching PE and sport;	In the Spring/Summer term provide CPD for member/s of staff to increase their level of subject knowledge and ability to plan high quality PE lessons. PE Leader to attend training and then feedback to staff PE Leader to support staff with	A cricket staff meeting was undertaken and then all staff taught a half term of cricket – having the confidence to do this to a high standard.	£300

	planning high quality PE lessons.		
Broaden the experience of a range of sports and activities offered to all pupils;	<p>Extra-curricular clubs (2x/week for 30 weeks) provided by Premier Education Group including:</p> <ul style="list-style-type: none"> • Football, • Netball • Archery, • Cricket • Trampoline • Street Dance • Cross Country • Athletics <p>Year 6 residential to outdoor education centre (Standon Bowers). Sports premium used to subsidise costs.</p>	<p>Extra-curricular clubs enabled a variety of sports throughout the year. 85% of clubs were full. 100 different children took part in these clubs.</p> <p>Year 6 children were able to partake in a week away from home – learning valuable life skills and participate in a range of skills (e.g rock-climbing).</p>	<p>£6,600</p> <p>£5,500</p>
Increase the participation opportunities in competitive sport	Entered into Cluster competitions including, cross country, football (boys and girls), tag rugby, hockey competitions (Supply costs).	Flax Hill entered a range of sporting events throughout the year. Teams and individual successes were accomplished by many.	£500

Sport Premium Grant Allocated 2018-19

£18,740

A breakdown of the projected expenditure for the year 2018/2019 is shown below, together with its projected impact:

Strategy	Description	Proposed impact	Amount (£)
A full time member of staff provided by 'Premier'.	<p>The member of staff will provide:</p> <ul style="list-style-type: none"> - Team Teaching opportunities. - Lunchtime club - One after school club each week. - Parent and children fitness classes. - Baseline Measurements - Breakfast club - Funtrition/ Healthy lifestyle 	<p>Team teaching – staff will get the opportunity to team teach with a skilled member of staff.</p> <p>Lunchtime club (playmakers) – children will have to opportunity to participate in a lunchtime club where older children will have the chance to become leaders (creating games for younger children).</p> <p>After school club – children will benefit from a lunchtime club where different sports will be played (giving a range of different sports to try for children). Also, this will help engage children in sports.</p> <p>Parent and children classes (Fitrition) - After school, once a week, parents and children can come together to an after school club which will change each week (ranging from Yoga to fitness classes). This will hopefully</p>	13,000

		<p>engage some parents – leading to a healthy lifestyle for both parents and children.</p> <p>Baseline Measurements – from the success of the previous year, baseline measurements will be conducted. This will inform members of staff which children need to be targeted for interventions and give children a target score to beat.</p> <p>Funtrition – A healthy eating and moving programme designed to encourage a healthy lifestyle.</p> <p>Golden Mile – an opportunity for children to earn rewards (certificates) for engaging in a certain amount of activity. This will be done in school hours so all children have an equal chance to take part. Older children can monitor other children and input the data.</p>	
Equipment	To replace and purchase new equipment.	Provide a range of equipment for engaging children in physical activity. Also, giving them an opportunity to take part in sports which they may have not experienced before.	£200
Playground equipment/ markings	Purchase new equipment and playground markings.	Equipment can be used at playtimes and lunchtimes to promote a healthy lifestyle. This can also be used by the Premier member of staff during his lunchtime clubs.	£200
Broaden the experience of a range of sports and activities offered to all pupils	Year 6 residential to outdoor education centre (Whitemoor Lakes). Sports premium used to subsidise costs.	Children able to participate in out wood bounds activities such as: zip wire, climbing, fencing etc. As well as this, they will learn valuable life skills with a week away from home.	£3,000
Increase the participation opportunities in competitive sport	Entered into Cluster competitions including, cross country, football (boys and girls), tag rugby, hockey competitions (Supply costs).	Entering into competitions will give children an experience they may not have had before. It also allows children to express their abilities.	£200
Engaging all pupils in regular physical activity – kickstarting healthy active lifestyles	Year 4 swimming lessons. In the Summer term swimming lesson given to those pupils in school unable to swim 25m (Yr 4-6).	Children to participate in swimming lessons in Year 4. Each class will have one term of swimming lessons where the aim will be to swim 25m unaided. Year 6 will be taken in the final term, similar to last year.	£3,000
