

Flax Hill Junior Academy Sports Premium Strategy 2020 - 2021

Objectives of Sports Premium Spending

Purpose of the premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:

- Employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of schools' core staffing budgets
- Teaching the minimum requirements of the existing PE curriculum.

Accountability: The head teacher senior leadership team and PE Leader will monitor, evaluate and review the strategies we have put into place for Sports Premium and report to the governing body on its progress and impact to inform governor accountability.

Overview of Flax Hill Junior Academy's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle

We spend our PE and sport funding in order to improve PE and sport participation; to enable pupils to develop a healthy, active lifestyle. Our aims are to create sustainable development by:

1. Engaging all pupils in regular physical activity – kick-starting healthy active lifestyles;
2. Ensure the profile of PE and sport is raised across the school as a tool for whole school improvement;
3. Increase confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broaden the experience of a range of sports and activities offered to all pupils;
5. Increase the participation opportunities in competitive sport

Our rationale for spending the money in this way is:

“ALL pupils leaving primary school to be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.”

(The DfE Vision)

How the improvements made will be sustainable in the future:

- Increased knowledge and skills of all staff members
- Strong links established with local Primary and Secondary Schools
- Links formed with local community clubs in subsequent years.

At Flax Hill Junior Academy, the PE and Sports funding is spent in a variety of ways with the direct and explicit aim of making additional and sustainable improvements to the provision of PE and sport. This is for the benefit of all pupils to encourage the development of healthy, active lifestyles.

A breakdown of the 2019/20 expenditure is shown below, together with its impact on PE, sport and healthy active lifestyles' outcomes:

Sport Premium Grant Received 2019-20

£18,700

A breakdown of the expenditure for the year 2019/2020 is shown below, together with its projected impact:

Strategy	Description	Evidence/Impact	Amount (£)
A full time member of staff provided by 'Premier'.	The member of staff will provide: <ul style="list-style-type: none"> - Team Teaching opportunities. - Lunchtime club - One after school club each week. - Baseline Measurements - Breakfast club - Funtrition/ Healthy lifestyle 	<p>A range of high level PE lessons have been taught – giving the opportunity to children to take part in a variety of sports (encouraging participation outside of school).</p> <p>Team teaching has taken place – allowing teachers to put into practice what they have observed and learnt.</p> <p>Two after school clubs have been provided with a range of children taking part due to the diverse amount of sports on offer. Unfortunately, these clubs only ran until March 2020 due to Covid-19.</p> <p>The children received part of the funtrition and healthy lifestyle unit of work before schools' partial closure for Covid-19 lockdown.</p> <p>Playground leaders was not fully established due to Covid-19.</p>	£14,250
Equipment	To replace and purchase new equipment.	A range of equipment has been bought by Flax Hill to impact upon the teaching and learning for the children.	£638

Broaden the experience of a range of sports and activities offered to all pupils	Year 6 residential to outdoor education centre (Whitemoor Lakes). Sports premium used to subsidise costs.	Children were able to participate in outdoor activities such as: zip wire, climbing, fencing etc. They learnt valuable skills whilst on their residential trip.	£2000
Increase the participation opportunities in competitive sport	Entered into Cluster competitions including, cross country, football (boys and girls), tag rugby, hockey competitions (Supply costs).	Entering 100% of events (both competitive and non-competitive) available in Tamworth.	£100
Engaging all pupils in regular physical activity – kickstarting healthy active lifestyles	Year 4 swimming lessons. In the Summer term swimming lesson given to those pupils in school unable to swim 25m (Yr 4-6).	Each class in Year 4 had one term of swimming lessons. Unfortunately, one class had their swimming lessons cut short due to Covid-19. Unfortunately., we could not implement the intervention in the final term for the Y6's	£1712

Sport Premium Grant Allocated 2020-21

£18,700

A breakdown of the projected expenditure for the year 2020/2021 is shown below, together with its projected impact:

Strategy	Description	Proposed impact	Amount (£)
A full time member of staff provided by 'Premier'.	The member of staff will provide: - Team Teaching opportunities. - Lunchtime club - Two after school clubs each week. - Parent and children fitness classes. - Baseline Measurements - Breakfast club - Funtrition/ Healthy lifestyle	Team teaching – staff will get the opportunity to team teach with a skilled member of staff. Due to Covid-19 restrictions this will take place outside and adults will be socially distanced. Lunchtime club (playmakers) – Unfortunately, due to staggered breaks because of Covid-19 restrictions we cannot run the playmakers initiative. After school club – children will benefit from playing different sports during their after school provision. Also, this will help engage children in sports. Parent and children classes – Unfortunately we cannot have parents in the school due to Covid-19 restrictions.	15,000

		Funtrition – A healthy eating and moving programme designed to encourage a healthy lifestyle.	
Equipment	To replace and purchase new equipment.	Provide a range of equipment for engaging children in physical activity. Also, giving them an opportunity to take part in sports which they may have not experienced before.	£1000
Broaden the experience of a range of sports and activities offered to all pupils	Year 6 residential to outdoor education centre (Whitemoor Lakes). Sports premium used to subsidise costs.	Unfortunately, due to Covid-19 our Y6 residential in November has been cancelled. We are hoping to provide some outdoor experiences later in the year Covid-19 permitting.	£2000
Increase the participation opportunities in competitive sport	Entered into Cluster competitions including, cross country, football (boys and girls), tag rugby, hockey competitions (Supply costs).	We will hope to enter competitions if they restart when Covid-19 restrictions end.	£100
Engaging all pupils in regular physical activity – kickstarting healthy active lifestyles	Year 4 swimming lessons. In the Summer term swimming lesson given to those pupils in school unable to swim 25m (Yr 4-6).	Children to participate in swimming lessons in Year 4. Each class will have one term of swimming lessons where the aim will be to swim 25m unaided. Swimming cannot start in September but we are hoping for it to start after October half term.	£700
