Charging and Remissions Policy

When pupils are accepted to join Mercia Primary Academy schools, their ability to pay plays no part in the admissions policy. Likewise, ability to pay or not for activities connected with school shall not lead to children and families being treated any differently.

Charging policy is in accordance with the Education Act, 1996 sections 449-462 and education regulations 1999.

Charges

- (a) board and lodging on residential visits (not to exceed the costs)
- (b) breakages and replacements as a result of damages caused wilfully or negligently by pupils
- (c) extra-curricular activities and school clubs, when provided by an outside agency.
- (d) Letting of the school premises or grounds (refer to Lettings Policy)
- (e) Extended school care activities such as breakfast club, after school clubs (charges made by provider)

Activities **necessary** to support the delivery of the national curriculum at school will be free.

Other activities **designed** to support the delivery of the national curriculum will be undertaken providing enough parents are willing to voluntary contribute towards the cost of the venture.

Voluntary Contributions

- When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If 95% of the full cost cannot be met by voluntary contributions, then the trip may not take place. If a trip goes ahead, it may include children whose parents have not paid the full contribution. We do not treat these children differently from any others.
- If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit. Parents have a right to know how each trip is funded. The school provide this information on request.
- The following is a list of additional activities organised by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:
 - visits to museums;
 - sporting activities which require transport expenses;
 - visits to the theatre
 - school trips
 - musical events

Costs for 'optional extras' will be no more than the cost for the individual child plus a share in any costs of accompanying adults.

Remissions

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:
