

# Lark Hall Infant and Nursery Academy

## EYFS Newsletter - Autumn 2, 2022

Mrs Hartin, Miss Hopkins

### Message from the teachers:

#### Superb Work!

We hope that you are as proud of your children as we are! They are a credit to yourselves and Lark Hall. We are particularly impressed with their great behaviour and attitude to learning.

#### Pre School and Reception admissions

Reception admissions are now open via the Staffordshire website. We also have spaces in our Pre School so please spread the word about our lovely school.

#### Fun Friday

Every Friday, Mr Cross (PE coach) runs a range of PE activities and outdoor play for parents and carers to attend with their children. As the activities are physical the sessions work best for children who can walk. Fun Friday runs from 1:45 -2:45pm and is free of charge.

#### Seesaw

If you haven't had the chance to join Seesaw yet please contact the school office. We post information each week about the learning taking place and also award our "Star of the Week". Feel free to post and comment on anything you see on Seesaw.

### This term we are learning:

During this half term, the EYFS children will be covering a range of exciting topics. These will include nursery rhymes, fireworks, children in need and Christmas. We will share more information about our learning on Seesaw.

We received fantastic feedback about the pre school forest sessions and another set will be taking place this half term. Reception children will continue to receive forest sessions every Tuesday. Mrs Walters is now teaching pre school and reception children music on Wednesdays. She is already impressed with musical talents.

#### Pre school proud clouds

If your child completes something at home that you are pleased with please write it on a proud cloud and we can celebrate their success at school.

### Suggested Home Learning Activities

Reading is a massive part of children's education and it is vital we support children to read as soon as possible. Please try to find time to share books with your children everyday and let them see you reading! Pre school continues to have a library day every Wednesday where they can choose a book to take home and share with you. Reception children need to bring their book bags in every day and are bringing home 3 books to enjoy with you. Reception children can also listen to or read books using MyOn. If you need support logging onto this please speak to Miss Hopkins.
